Institution's Innovation Council (IIC) & IPRWH

DEPARTMENT OF MECHANICAL ENGINEERING

Quarter-2 (1st December 2024 - 28th February)

Semester II: National Youth Day

Theme	"Youth Empowerment for Nation Building."
Activity Name	National Youth Day Celebration
Mode of Conduct	Physical
Time	9.00 am to 5.00 pm
Date	12.01.2025
Mandatory / Elective	Mandatory
Participants	150
Description	Encourages youth to unlock their potential and strive for self-improvement and creating awareness among students at all time and all forms of humanitarian activities so that human suffering can be minimized and even prevented.

Institution innovation council (IIC) and Youth Redcross wing (YRCW) of KVT Polytechnic organized a Blood donation camp on eve of **National Youth Day**.

National Youth Day was celebrated on 12th January being the birthday of Swami Vivekananda in KVTPolytechnic. We thank our beloved Pricipal G Narasimhaiah for enabling us to organize this wonderful event on this special day. The **Youth Red Cross Wing** along with the Indian Redcross Society, Chikkaballapur conducted the NATIONAL YOUTH DAY in the college premises. The Principal of KVT Polytechnic and YRCW co-ordinator Mr. P L Girish, IRCS Seccratary Mr RAVI and all our active volunteers made this event a grand success. Dr.Kodi Rangappa A Vice-President, IRCS Chikkaballapur was invited as the Chief guest to share his tremendous knowledge to the students. He is an active social worker and motivates youth to take up social service for the cause of our mother land by inculcating patriotic spirit in every minds. He delivered an inspirational speech about swami Vivekananda - The Youth Icon. The thoughts of Swami Vivekananda on today's youth was shared. Awareness on drugs and other distractions were discussed. His talk was inspiring and thoughtful. His humble behavior and kind words fascinated the students. In a nut-shell, this event was an eye-opening session for today's youth. 150 Students & staff from KVT Polytechnic, have donated their blood. A Certificate of appreciation, donation card and refreshment was given to each donor as a token of gratitude

Report on A Free Medical Health Check-Up Camp

**FREE
MEDICAL CAMP**

YOUTH RED CROSS WING

Date of Event : 6th March 2025

Venue: Seminar Hall , K.V.T Polytechnic, CVV Campus, Chickballapur.

Organizer : P L Girish, Co-ordinator, YRCW, KVT Polytechnic.

A free medical health check-up camp for faculty, staff and students was organized on 6th March 2025 at Seminar Hall, KVT Polytechnic, CVV Campus.

The camp was organized under "Check up with Referral Labs Campaign" as per the Directorate of Technical Education circular dated 05-01-2024. The camp was organized in association with Muddena halli, Sri Madhusudhan Sai Institute of medical sciences and Research . A team of 20 members from the hospital including 12 doctors ,The team was lead by Dr. Jayasimha reached the college at 10.00 am. The camp was inaugurated by H Rajareddy, Incharge Principal, KVT Polytechnic, welcomed by P L Girish, Coordinator, Youth Red Cross Wing, KVT Polytechnic. Shawl draping and Garland program for members of the medical team was organized. To conclude the camp, a vote of thanks was delivered by Superintendent R Vishwanath ,K V T Polytechnic.

YRCW arranged free physical examination, blood sugar, blood pressure and Hemoglobin (Hb) monitoring along with general check-up which is very useful for many faculty and students. After the check-up, many students benefited with free medicines given by the doctors. A total of 60 staff and 350 students participated in the medical camp and benefited.

YRCW members, volunteers and students have played an important role in making this camp a success with their dedication in serving.

Dear Sir

**Subject: Thanking letter for support and cooperation in conducting Health Screening Camp on
6th March, 2025.**

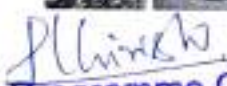

On behalf of Sri Madhusudan Sai Institute of Medical Sciences and Research, I would like to extend our heartfelt gratitude for the invaluable support and cooperation extended to us during the recently organized Health Screening Camp on 6th March, 2025.

We were able to screen ~450 individuals and provide them with actionable insights into their health. We deeply appreciate your efforts in helping us achieve our mission of spreading health awareness and preventive care. We hope this collaboration marks the beginning of many such opportunities to work together in the future.

With warm regards

Report on Blood donation Awareness 20th June-2025

Date: 20/06/2025

Venue: Seminar Hall-2, KVT Polytechnic.

Organizer : P L Girish, Co-ordinator, YRCW, KVT Polytechnic

Introduction:

The YRCW of KVT Polytechnic organized a successful Blood donation awareness program on 20th June 2025, on the occasion of students induction program for the newly admitted students for the academic year 2025-26. The program aimed to provide valuable insights and knowledge on blood donation and its importance.

Welcome Speech:

The program commenced with a warm welcome speech by Ms R Indra, Induction program committee member, expressing gratitude to all the students for their active participation and interest in the program.

Inauguration:

The program was inaugurated by our beloved, Principal G Narasimhaiah, our chief guest Dr. Pnindra, Associate professor, Community medicine department, Sri Madhusudan Sai Institute of Medical Sciences and Research, Muddenalli.

Topics Covered:

The seminar was conducted by Dr. Naveen Kumar R U, Assistant Master in Science, Govt High School (GHS) Alipur, Gauribidanur, with extensive knowledge and experience in the field of science. The theme for National Science Day 2024 is 'Indigenous Technologies for Viksit Bharat'. This year's theme aims to highlight the importance of traditional knowledge in scientific advancement. Every year on February 28, we celebrate National Science Day to honor the discovery of the 'Raman Effect' by Indian scientist and physicist Sir C V Raman. This day is all about recognizing the important contribution, science has made to our lives and raising awareness of its significance. This year's theme stresses the importance of collaboration between the public and the scientific community, both in India and abroad, to benefit India and humanity. It emphasizes the need for India to be self-reliant in science and to address global issues. Resource faculty Dr. Naveen Kumar R U has emphasized our role in widely spreading the significance of scientific applications in our daily life.

Vote of Thanks:

To conclude the seminar, a vote of thanks was delivered by Girish K L, Technical Club Convener, Department of Automobile Engineering.

Conclusion:

The seminar organized by the Technical Club of KVT Polytechnic proved to be a resounding success, providing an excellent platform for students to enhance their knowledge in the field of science. The workshop success can be attributed to the NIRF Co-ordinator J Srinivasulu who is instrumental in arranging resource faculty & collective efforts of the organizing committee, the expertise of the speakers, and the enthusiastic participation of the students.

Eye Camp

A Report

Chickballapur, 14 November 2025

By: P L GIRISH, SGL/ME, YRCW Co-ordinator.

The eye camp at KVT Polytechnic, Chikkabalapur College was organized on 14th Nov 2025 by the Youth red cross wing in association with Indian Red Cross Society & Sri Madusudan sai Institute of Medical Science and Research, Muddenahalli.

to create awareness about eye care and provide services to students and the community. Here's a report on the event:

Event Highlights:

- The eye camp aimed to provide high-quality, low-cost eye care services to Students.
- It focused on identifying and treating cataracts, correcting refractive errors, and addressing other common eye conditions.
- Students from the college participated in the event, which was led by Mr. P L Girish, YRCW Co-ordinator, Selection Grade Lecturer in Mechanical Engg and YRCW unit in-charge.

Objectives of Eye Camps:

- Vision Restoration: Restoring sight to individuals with cataracts or other vision impairments.
- Visual Enhancement: Providing eyeglasses to those with vision impairments not requiring surgery.
- Preventive Care: Educating participants on eye health and preventive measures¹.

Services Offered:

- Screening: Vision testing using Snellen's chart and examination for obvious anomalies.
- Refraction: Determining the need for corrective lenses.
- IOP Checking: Measuring intraocular pressure to detect glaucoma.
- Treatment and Referral: Providing medical treatment or referring patients to base hospitals for further investigation and management².
