Anti-Ragging Committee - Annual Report

For the academic year 2025-26

I am pleased to present the annual report on the activities of the Anti-Ragging Committee in our college for the academic year 2025-2026. As the head of the committee, I am proud to say that we have made significant progress in preventing ragging on our campus.

Firstly, we continued to conduct awareness programs for the incoming batch of students. We emphasized the importance of treating everyone with respect and dignity, and the consequences of engaging in any form of ragging. We also educated the students on the various mechanisms available for them to report any instances of ragging.

We also held regular meetings with the committee members and student coordinators to discuss any reports of ragging or concerns raised by the students.

As a result of our efforts, we are proud to report that there were **no incidents of ragging reported on our campus during the academic year 2025-2026**. This is a testament to the commitment and dedication of our committee members, as well as the cooperation and support of the college administration and students.

In conclusion, we remain committed to ensuring a safe and welcoming environment for all students on our campus, and we will continue to work to prevent ragging in all its forms.
