Student Discipline:

K.V.T polytechnic expats a high degree of discipline and decorum among the student community. We are expected to be smartly dressed uniforms at all times of the day and also follow a code of conduct and good behaviors.

Examination

Semester Examination are conducted as per DTE norms and procedures, odd semester examinations will be held during Nov/Dec and even semester examination during April/May, every year.

- 1) For passing, students should obtain minimum 35% in each of the theory subject in Board Examination and should get minimum 45 marks including internal marks. Similarly for practical subject 50% in Board Examination and 60 marks including internal marks
- 2) Students who fails in more than four subjects both in odd and even semesters put together are not eligible to go to next academic year (Promotion from II semester and IV semester to V semester)
