ANNUAL REPORT ON FACULTY TRAINING AND PROFESSIONAL DEVELOPMENT

1. Introduction

As per the guidelines and quality mandates of the **All India Council for Technical Education (AICTE)**, continuous professional development of faculty members is essential for maintaining academic excellence and ensuring effective teaching-learning processes. **KVT Polytechnic** has consistently encouraged its faculty members to participate in structured training programs, online certification courses, and national-level initiatives such as **NITTT, SWAYAM, NPTEL, and Infosys Springboard**.

This report presents a **separate and consolidated account of faculty training activities** undertaken during the **previous and current academic years**, highlighting the institution's commitment to lifelong learning and capacity building.

2. Faculty Training – Previous Academic Year

During this year, faculty members actively participated in online and blended training programs aimed at enhancing pedagogical skills, domain expertise, and awareness of outcome-based education.

Key Highlights:

- Faculty members enrolled in **SWAYAM / NPTEL online certification courses**
- Participation in **AICTE-mandated Faculty Development Programs (FDPs)**
- Training focused on **innovative teaching methodologies, ICT tools, and emerging technologies**
- Encouragement from the institution through circulars and departmental reviews

These initiatives strengthened instructional quality and ensured alignment with AICTE academic standards.

3. Faculty Training

In continuation of its faculty development initiatives, KVT Polytechnic further strengthened training participation, with emphasis on AICTE-mandated programs.

Faculty Participation Details:

Sl. No.	Name of Faculty	Department	Training Program / Course	Platform	Mode
1	Mr. Arun Kumar V	Mechanical Engineering	3 Weeks Industrial Training	Industry	Offline
2	Ms. Shwetha S K	Computer Science Engineering	3 Weeks Industrial Training	Industry	Offline
3	Mr. Vinod Raj H G	Automobile Engineering	3 Weeks Industrial Training	Industry	Offline
4	Mr. Girisha K L	Automobile Engineering	3 Weeks Industrial Training	Industry	Offline

4. Institutional Support and Monitoring

The institution ensured active participation by:

- Issuing circulars and official notifications to faculty members
- Monitoring completion status
- Maintaining records of certificates and acknowledgements
- Encouraging timely submission of hard copies for institutional documentation

5. Outcomes of Faculty Training

- Enhanced teaching effectiveness and classroom delivery
- Improved understanding of AICTE norms and academic reforms
- Adoption of innovative pedagogical practices
- Strengthened digital competency among faculty members
- Improved institutional compliance during inspections and audits

6. Conclusion

The structured and consistent faculty training initiatives undertaken during the **previous and current academic years** reflect **KVT Polytechnic's** strong commitment to academic quality, professional development, and AICTE compliance. The institution will continue to motivate faculty members to participate in national-level training programs and online certification courses to further enhance teaching standards and institutional performance.
